Terms of reference and conditions

1	Customer:	State Health Insurance Fund
2	Contents of selection	Selection of the best proposals for determining the marginal cost of reimbursement of medicines (in terms of the form of release, dose, and international nonproprietary name (INN) provided based on the reimbursement program
3	Selection type	Selecting the best offer
4	Source for downloading the selection documentation	https://dtsj.uz/uz/reimbursatsiya/
5	Documents submitted for participation in the selection	<ol style="list-style-type: none">1. Provision of a certificate of conformity for each medicinal product according to INN, trade name, form of release and dosage (Appendix #1)2. Submission of a competitive price offer for each medicinal product according to INN, trade name, form of release, and dosage (Appendix #2). In this case, the competitive price offer should not exceed the reference price for this medicinal product according to INN, trade name, form of release, and dosage.3. Provision of a letter of guarantee on prevention of corruption risks.
6	Time and address of receiving bids	Competitive price offers are provided by e-mail (reimbursement@dtsj.uz) within 10 (ten) business days from the date this announcement is posted for each medicinal product in the context of INN, trade name, form of release, and dosage.
7	The procedure and deadline for evaluating bids	<ol style="list-style-type: none">1. Competitive price proposals will be reviewed within 5 (five) business days after the deadline for submitting competitive proposals at a meeting of the Commission formed under the State Health Insurance Fund.2. Based on competitive price proposals, a list of prices is formed in ascending order by INN, trade names, forms of release, and dosages. Then, starting from the lowest price

index, 5 (five) medicines are selected by trade name, form of release, and dosage.

3. Based on the proposed price, the maximum cost of reimbursement is set for the trade name, form, and dose of the selected medicines. At the same time, the proposed price, retail trade allowance, and VAT are taken into account as part of the marginal cost of reimbursement.

4. The highest marginal cost of reimbursement among the selected medicines is taken as the highest marginal cost of reimbursement for INN, form, and dose of this medicinal product.

5. Suppliers who have submitted their proposals to the State Medical Insurance Fund are notified of the accepted marginal cost of reimbursement for INN, form, and dose of the corresponding drug through the State Health Insurance Fund's website (<https://dtsj.uz/ru/reimbursatsiya>).

Suppliers who have offered prices exceeding the maximum cost of compensation are allowed to change the prices indicated in their offer to prices not exceeding the maximum cost of compensation, and within 48 hours to submit updated offers by the established procedure to the e-mail of the State Medical Insurance Fund. (reimbursement@dtsj.uz).

6. The Commission shall consider the updated proposals within 2 (two) working days and, together with the preliminary meeting results, approve the list of medicines with an appropriate protocol indicating the trade name, form, and dose of medicines and the marginal cost of reimbursement for each INN, form, and dose of medicines.

7. The minutes of the Commission's meeting and the approved list of trade names, forms, and dosages of medicines, as well as the maximum cost of reimbursement, are published on the website of the State Health Insurance Fund ([https://dtsj.uz/ru/reimbursatsiya /](https://dtsj.uz/ru/reimbursatsiya/)) and social media pages on the next business day after signing this protocol.
